Subject: Free Remedial Classes during winter break for students of
Government Schools- regarding

Madam/Sir,

You are all aware that the academic performance of many of the Government Schools for Class X and Class XII examinations conducted by BOSEM and COHSEM in the last decade or so is far from satisfactory. It is also known that some of the Government Schools are taking up extra classes during the winter break or before the examination in order to enhance the performance of their students. However, these arrangements are mostly confined to few schools and there are many school students who cannot be provided any remedial classes.

In this connection all ZEOs (*in consultation with Heads of Schools/ Principals of Higher Secondary Schools under your jurisdiction*) shall ensure that at least 1 to 3 Nos of Remedial Coaching Centre(s) in the Valley District except Jiribam and 1 or 2 Nos. of Remedial Coaching Centre(s) in Hill District and Jiribam are taken up within your District/Zone to improve the academic performance of the students of Government Schools. The opening of these free Remedial Coaching Centre(s) shall be based subject to the availability and need of the students. It shall be run during the day (non-residential) for a period not less than 1 (One) month preferably starting from 1st week of January, 2018 utilising the services of the competent & committed Government School teachers under your respective Zone.

You are, therefore, requested to submit the name of the Centre(s) along with the number of students and the teachers to be utilized for running these Centres. Details of the programme shall be submitted to the office of the undersigned on or before the 29th of December, 2017.

Yours faithfully,
