21 Annexure I ①

No.44/2/2016-RE
Government of India
Ministry of Power
Shram Shakti Bhawan, New Delhi-110001

Dated the 19th July, 2019

To ..
Chief Secretary of All States/UTs

Subject : Electrification of schools in villages

Ref. :

1. This Ministry's DO letter No. 44/2/2016-RE dated 1Sept2016
2. This Ministry's letter No. 44/2/2016-RE dated 6Apr2017
3. This Ministry's DO letter No. 47/3/2018-RE dated 12Jul2018

Dear Sir,

This has reference to the above mentioned communications of the Ministry regarding electrification of public places including schools in the villages.

2. It may be mentioned that the States have already declared electrification of all the villages in the country and accordingly it is presumed that the schools in the villages have also been electrified in line with the prevailing definition of village electrification.

3. In this connection, it is again requested to advice concerned officials of the Education Dept & Power Dept./DISCOMs to ensure electrification of all schools in the villages. It was also requested to consider lower tariff category for the Govt schools instead of commercial tariff presently in vogue. This would reduce their operational cost and also motivate them to avail electricity.

4. It is requested that, due priority to the matter is accorded and a confirmation regarding electrification of all schools in the villages may be sent to this Ministry along with a copy to Deptt. of School Education & Literacy, Ministry of Human Resource Development.

Yours sincerely,

(Signature)
