DO No. E2735/NECA-PC/2/2020-BEE-Part (2) / 30

October 3, 2022

Subject: Request for Supporting National Painting Competition on Energy Conservation 2022

Dear Sir,

The Ministry of Power, Government of India, aims to motivate the children towards energy conservation. This activity is being executed by Bureau of Energy Efficiency (BEE) on behalf of Ministry of Power with the active support of Central and State Education Departments. Since 2005, the Painting Competition is organized every year at School, State and National level. This campaign has witnessed the involvement of school children in spreading the message of energy conservation in the country.

2 In the past, sincere efforts of the Education Department of the State in facilitating the Painting Competition have ensured good participation from respective States / UTs. Every year, more than 80 Lacs students from various parts of the country participated in the Painting Competition. The winners of the National Level Painting Competition 2021 were felicitated by the Hon'ble Minister of Power & New and Renewable Energy on 14th December, 2021 in a function held at Vigyan Bhawan, New Delhi.

3 This year also, we would like to continue this endeavor with the help of Central Public Sector Undertakings of Ministry of Power along-with the active cooperation of State Governments/UTs. The details of the Painting Competition and list of State Nodal Officers from CPSUs are uploaded on www.bee-studentsaward.in. A circular in this regard is also attached herewith for kind reference please. Students of 5th, 6th & 7th Standard under Group 'A' and students of 8th, 9th & 10th Standard under Group 'B' are eligible to participate in the competition.

4 It is requested that your Department may support this event, to ensure large participation of the schools and their students, by extending all possible assistance to the respective Nodal Officer reputed by the CPSUs for making this event a grand success.

With regards.

Yours sincerely,

National Awareness Campaign on Energy Conservation

Proposed Methodology for Painting Competition – 2022

1. Introduction

The Ministry of Power, Government of India undertakes awareness campaign on energy conservation on pan India basis. Painting Competition for students has been included as one of the activities of the campaign, which would not only make aware the students about the need of conserving energy but at the same time would educate and involve their parents as well in the above cause. With the aim to infuse fresh blood in the ongoing program of Painting Competition on Energy Conservation, redesigned methodology is being introduced from current year i.e., 2022. Children studying from 5th class/standard to 10th class/standard would participate in the painting competition, an identified activity to benefit the nation in creating awareness amongst Domestic Sector.

With the advent of COVID Pandemic from the recent past and the prevalent "New Normal" situation, a new scheme with a facelift with a tinge of international level participation would be implemented throughout the country with the active support of 11 Central Public Sector Undertakings (CPSUs) working under the administrative control of the Ministry of Power – Government of India and all the 37 State Designated Agencies (SDAs) established under the Energy Conservation Act 2001.

Evaluation & Weightage Criteria for Selection of Prize-Winning Paintings

State/National Level

Painting Competition on Energy Conservation – 2022

Mandate / Instruction to Participants

Students who have earlier won 1st/ 2nd/ 3rd prizes during the last years (2021) within the Group at State Level Painting Competition would not be eligible to participate in the Competition at any level of competition in 2022. However, students who have earlier won consolation prizes during the last year (2021):

- i. within Group at State level would be eligible to participate in the Painting Competition 2021 but they would not be considered again for the consolation prizes at the State level. They will only be considered for prizes, if they win 1st/ 2nd/3rd Prize at the State level.
- ii. The type of materials that can be used are Pencil, Color Pencil, Crayon and Water Color.
- iii. The entry can be poster or a painting.
- iv. Each individual painting drawn at State/UT and National level will be allotted a number on a paper slip to be pasted on top right corner of paintings
- v. The details of the student mentioned at the back of the paintings at State/UT and National level must be covered with a white paper before exhibiting them for adjudication.
- vi. Use of Collage/Patchwork is not permitted.
- vii. Individual Jury member will have to give marks to paintings on the following points to arrive at final decision.
- viii. While adjudicating the jury will not be shown the details of the participants (given on the back of the drawing sheet) in order to avoid bias or favouritism.
- ix. The 1st, 2nd and 3rd winner of State/UT level Painting Competition shall not draw 80 % to 100% same painting at National Level and if found so he/she shall stand a chance for elimination for awards.
- x. Preference will be provided, during prize selection, for paintings drawn by students from Government schools in rural areas so that they are able to win at least one prize at different levels. Paintings of such students will be displayed separately for selection.
