

No. 2/8-21/23-ED(S/V) Medical
GOVERNMENT OF MANIPUR
DIRECTORATE OF EDUCATION-SCHOOLS, MANIPUR
LAMPHELPAT

CIRCULAR

Imphal, the 25th August, 2023

In view of the reports of the spread of Viral Conjunctivitis in the state, and as per the suggestion/recommendation of the Directorate of Health Services, Manipur, all schools in the state are to follow the following points while dealing with the Epidemic Viral Conjunctivitis.

1. If one or two students are infected with conjunctivitis in a school, the infected student may be given leave for 10 days.
2. If three or more students are infected in a class in a school, then the whole class may be closed for 10 days.
3. In a school, if three or more students are infected in three or more different classes, the school may be closed for 10 days.
4. In case of hostels, if any inmate of the hostel is infected, the inmate may be sent home for 10 days.
5. If more than three inmates are infected in a hostel, the hostel may be closed for 10 days.
6. Proper hand washing practices should be encouraged among the students and teachers alike.

Proper safety measures should be taken to control the spread of the viral conjunctivitis among the school going population at the school level which will go a long way in controlling the epidemic at the state level.

All Zonal Education Officers are hereby instructed to circulate this circular to all schools under their respective jurisdiction immediately.

This issues with the approval of the competent authority.
